SUPERINTENDENT'S REPORT

To the School Board and Citizens of Grantham:

I have the honor to submit my fourth annual report as Superintendent of the Grantham graded schools.

The Grantham schools made an unusually good record for attendance and the District can be complimented for the number of days that the schools were actually in session. Grantham was among a very few Districts of the state which had a total of 362 half days of school sessions. The per cent of attendance for the year was above 95. The total registration for the year was very small being only 43 and 6 of these had previously been registered in some other school in the state. In addition there was one pupil registered in Claremont High School and five others in Newport High School. The registration for this year is a little larger, there being 32 pupils in the Grantham village school and 15 in the North Grantham school.

One teacher change is noted in the Grantham village school. Miss Flora Charter withdrew from teaching to finish her normal school course and her place has been filled by the election of Miss Mildred Nolan, a graduate of Plymouth Normal. We are fortunate in again having in the District three good teachers with three correspondingly good schools. The attendance and health conditions of the children are very excellent. The report of the school Physician and Nurse is given below.

Defects	No. Pupils Affected	Reported to Parents	Receiving Treatment	Defects Corrected

Protection Against Diseases

Small pox vaccination	11
Diphtheria toxin-antitoxin	29

MINOR REPAIRS

If any extensive minor repairs are anticipated I should recommend that the outside of the school buildings be painted. On account of the cost it may be necessary to paint one school per year.

CONCLUSION

The school year for 1927-28 closed with the eighth grade graduation in the Community Building when a very excellent program was carried out by the pupils and teachers. The work in your schools is modern, progressive and compares favorably with the work in larger schools.

Allow me in conclusion to thank the School Board, teachers, pupils and citizens for their spirit of helpfulness and cooperation.

February 13, 1929.

Respectfully submitted,

WM. J. ENGLISH,

Superintendent of Schools.
